

List of Tables

	<i>Page</i>
Introduction	
Table 1. Area and population of development of development regions and zones, 1971.....	9
Table 2. Gross domestic product by sector of origin at current market price, 1969/70 to 1974/75.....	10
Chapter I	
Table 3. Population growth, 1911 – 1971.....	13
Table 4. Regional pattern of population growth, 1911 – 1971.....	16
Table 5. Population distribution and density by geographic region, 1952/54 to 1971.....	19
Table 6. Distribution of the population by rural-urban residence in 1952/54, 1961 and 1971.....	21
Chapter II	
Table 7. Population classified by sex, masculinity proportion and masculinity ratio, 1952/54 to 1971.....	23
Table 8. Masculinity ratio by developmental and ecological region, 1952/54 to 1971.....	24
Table 9. Masculinity ratio by five-year age group, 1952/54, 1961 and 1971.....	24
Table 10. Percentage distribution of the population by five-year age group, 1952/54, 1961 and 1971.....	27
Table 11. Intercensal increase in population by age group, 1952/54 to 1971.....	28
Table 12. Percentage distribution of the population by broad age group, 1952/54, 1961 and 1971.....	29
Table 13. Median age of the population, 1952/54 to 1971.....	29
Table 14. Percentage distribution of the population according to broad age group by development region and selected districts and urban areas, 1971.....	29
Chapter III	
Table 15. Numerical and percentage distribution of the population by mother tongue, 1952/54, 1961 and 1971.....	33
Table 16. Percentage distribution of the population of regions by major language, 1952/54, 1961 and 1971.....	34
Table 17. Numerical and percentage distribution of population by religion, 1952/54 to 1971.....	36
Table 18. Proportionate distribution of religious groups by region, 1952/54 and 1961.....	36
Chapter IV	
Table 19. Marital status of population aged 6 years and over by sex, 1952/54, 1961 and 1971.....	39
Table 20. Age-sex-specific proportions of married persons in 1961 and 1971 and percentage changes in proportions married between 1961 and 1971.....	40
Table 21. Age-sex-specific proportion of unmarried persons in 1961 and 1971 and percentage changes in proportions unmarried between 1961 and 1971.....	41
Table 22. Age-sex-specific proportions of widowed persons, 1961 and 1971.....	41
Table 23. Age-sex-specific proportions of divorced/separated persons, 1961 and 1971.....	42

Table 24. Ever-married persons as proportion of total population by age, sex and selected regions, 1971.....	43
Table 25. Means age at marriage (in years) of women by current age and region of residence, 1976.....	44
Table 26. Proportion of ever-married population 6 years and over by region and sex, 1961 and 1971.....	45
Table 27. Proportion of ever-married persons by age, sex, literacy status and rural-urban residence, 1961.....	46

Chapter V

Table 28. Estimates of crude death rates, 1952-1978	49
Table 29. Estimates of infant mortality rates, 1954-1978.....	51
Table 30. Estimated expectation of life at birth (e^o_o) by sex, 1952-1976.....	52
Table 31. Adjusted age-specific death rates by sex, 1974-1975, 1976 and 1977-78.....	53
Table 32. Crude death rate (CDR) and infant mortality rate (IMR) by urban-rural residence and sex, 1974-1975, 1976 and 1977-1978.....	57

Chapter VI

Table 33. Estimated crude birth rates, 1952-1978.....	61
Table 34. Child-woman ratio ^a , selected countries of the ESCAP region, various censuses.....	62
Table 35. Age-specific fertility rates, 1971-1978.....	63
Table 36. Selected fertility measures and demographic and social indicators for various administrative zones, 1971.....	65
Table 37. Estimated crude birth rates by rural-urban residence, 1974-1975, 1976, 1977-1978...	66
Table 38. Age-specific fertility rates, urban and rural areas, 1974-1975 and 1977-1978.....	66
Table 39. Mean number of children ever born by background variables and marriage duration.....	66

Chapter VII

Table 40. List of media provided by the Information, Education and Communication Division, 1975/76.....	79
Table 41. Acceptors in the family planning programme by method.....	82
Table 42. Contraceptive mix in a given year: percentage of acceptors by method accepted.....	82
Table 43. Percentage distribution of family planning acceptors by month of acceptance, 1976/77.....	84
Table 44. Characteristics of pill acceptors by year of acceptance, 1970/71 to 1975/76.....	84
Table 45. Characteristics of IUD acceptors by year of insertion, 1970/71 to 1975/76.....	85
Table 46. Characteristics of vasectomy acceptors by year of Sterilization, 1970/71 to 1975/76...	86
Table 47. Characteristics of laparoscopic acceptors, 1973 to 1976/77.....	86
Table 48. Continuation rates by method and duration of acceptance.....	87
Table 49. Births expected to be prevented by family planning programmes up to the year 1976/77.....	89
Table 50. Estimated population and births, 1967-1977.....	89

Chapter VIII

Table 51. Important features of the various population projections.....	92
Table 52. Projected population, 1955-1960.....	92
Table 53. Projected population, 1950-1980.....	92
Table 54. Projected population, by sex, 1955-1975.....	95
Table 55. Proportionate distribution of population by broad age group, 1955-1980.....	95
Table 56. Population projections by sex, 1961-1981.....	95
Table 57. Assumptions concerning fertility, mortality and migration I A.S. David's population projections, 1970-1995.....	96
Table 58. Projections of total population, 1970-1995.....	97
Table 59. Projections of average annual growth males rate the population under different assumption of fertility reduction, 1970-1975 1990-1955.....	97
Table 60. Projected population, 1965-1985.....	99
Table 61. Assumed life expectancies at birth by sex, 1970-1975 to 1995-2000.....	99
Table 62. Projected population, 1970-2000 (1).....	99
Table 63. Population projections, 1970-2000 (2).....	100
Table 64. Percentage distribution of the total population by broad age group, 1971-1986.....	101
Table 65. Alternative population projections, 1971-2001.....	103
Table 66. Percentage distribution of the projected total population by broad age group, 1971-2001.....	103

Chapter IX

Table 67. Inpatient morbidity pattern.....	106
Table 68. Outpatient morbidity pattern.....	107
Table 69. Nutritional status of children.....	108
Table 70. Type of medical institutions, 1974-1975.....	110
Table 71. Distribution of health posts by area and health post/population ratio, 1974-1975.....	112
Table 72. Distribution of health institutions by development region. 1973.....	114
Table 73. Availability, estimated requirements and the production target of medical manpower in the fifth plan (1976-1980).....	115
Table 74. Health manpower in the four development regions in 1974-1975.....	116
Table 75. Plan outlay for health in different plan periods.....	118
Table 76. Distribution of health budget among programmes.....	119
Table 77. Projected government health expenditure, 1970-2000.....	120

Chapter X

Table 78. Total and economically active population by sex, 1952/54, 1961 and 1971.....	123
Table 79. Age-specific economic activity rates, 1952/54, 1961 and 1971.....	125
Table 80. Percentage distribution of economically active population by major industrial sector and sex, 1952/54, 1961 and 1971.....	126
Table 81. Percentage distribution of the economically active population by agricultural and non-agricultural industries for urban and rural areas in 1961 and 1971.....	126
Table 82. Percentage distribution of economically active population by broad occupational group, 1971.....	127
Table 83. Percentage distribution of economically active population by employment status, 1952/54, 1961 and 1971.....	128

Table 84. Labour force participation rates of persons aged 10 years and over in rural and urban areas, 1961 and 1971.....	129
Table 85. Age-specific economic activity rates for various development regions, 1971.....	130

Chapter XI

Table 86. Growth in school enrolments, 1950-1977.....	134
Table 87. Percentage distribution of enrolments at first and second level schooling by sex, 1965-1977.....	135
Table 88. Growth in third level enrolments, 1961-1977.....	135
Table 89. Distribution of third level enrolments by courses of study, 1973-1977.....	136
Table 90. Proportion of population aged 6-24 years attending school by development region, zone and urban area, 1971.....	137
Table 91. Percentage distribution of enrolment by level of education in various development regions and zones, 1971.....	139
Table 92. Enrolments in successive grades compared with first grade enrolments, 1975.....	140
Table 93. Percentage of literate persons, 1952/54 to 1975.....	141
Table 94. Proportion literate by age and sex, 1961 and 1971.....	141
Table 95. Literacy rates by sex and urban and rural sector, 1961 and 1971.....	142
Table 96. Proportion literate 10 years and over by sex, region and zone, 1971.....	143
Table 97. Proportion of persons aged 15-19 and 20-24 years with five years and more of formal education, 1961 and 1971.....	143
Table 98. Proportion of persons in the age groups 15-19 and 20-24 years who had competed five years or more of formal education by development region and zone, 1971.....	144

Chapter XII

Table 99. Financial investment in organized sector and rate of growth in GDP.....	146
Table 100. Expenditure on social services as a percentage of total revenue and total budget, 1961/62 – 1976/77.....	148
Table 101. Some indicators of social infrastructure.....	149
Table 102. Trends in Population, 1971-2001.....	150
Table 103. Projected total population, labour force, women aged 15-49 years, children of school age and total number of dependents, 1981-2001.....	151
Table 104. Assumed targets of educational achievements, 1976-2001.....	153
Table 105. <i>Per Capita</i> cost of social services to the Government.....	154
Table 106. Projected government expenditure on social services, 2001.....	154

ANNEX I

Table 107. Topics included in the population schedules in the censuses of 1952/54, 1961 and 1971.....	181
---	-----

ANNEX II

Table 108. Myers' index ^a of digital preference for digits 0 to 9, censuses of 1961 and 1971....	192
Table 109. Myer's indices for selected countries.....	193
Table 110. Sex-ratio score, age ratio score and joint score for selected countries.....	194
Table 111. Age ratios ^a 1952/54, 1961 and 1971.....	195
Table 112. Reconstruction of proportions of females ever married by five-year age groups for the 1961 and 1971 censuses from reported dates of marriage in the Nepal Fertility Survey, 1976.....	202
Table 113. Singulate mean age of marriage (SMAM) calculated from census of India and Nepal.....	203
Table 114. Percentage of marriages for which women reported date of a birth prior to date of marriage, Nepal Fertility Survey, 1976.....	203
Table 115. Cumulative proportions of women ever married by successive ages, by current age group, Nepal Fertility Survey, 1976.....	205
Table 116. Mean age of first marriage for those women married by age 25 and singulate mean age of married (SMAM) derived from fitting model marriage schedule to cumulative first marriage experience by cohort, Nepal Fertility Survey, 1976.....	206
Table 117. Reported number of children ever born per woman ^a compared with number from synthetic births, last year schedule, by single years of age, Nepal Fertility Survey 1976...	207
Table 118. Reported number of children ever born (CEB) per ever-married woman, by five-year age group, for women who know and women who do not know their dates of birth, Nepal Fertility Survey, 1976.....	209
Table 119. Estimated omission of children ever born as a percentage of number of children reported in fertility history by ten years prior to survey date, for women aged 30-49, Nepal Fertility Survey, 1976.....	211
Table 120. Reported number of children ever born per woman by successive age, by current age group, derived from fertility histories of ever-married women ^a , Nepal Fertility Survey, 1976.....	212
